WHO has declared the recent Novel Corona Virus (2019-nCoV) epidemic affecting 24 countries as International Public Health Emergency of International Concern. In this context, Andhra Pradesh state has strengthened the surveillance and control measures against the disease. Till date, **57** travellers from corona affected countries have been identified and placed under surveillance. All **56** are under home isolation and **1** has completed the 28 days observation period without any symptoms. Samples collected from **6** people, **5** samples sent to NIV Pune, all **5** are **Negative**. Result awaited for **1** sample sent to GMC Hyderabad. A 24x7 State Control Room has been set up in the State. Isolation wards are being setup in all government general hospitals and district hospitals.

In the background of the present Novel Corona Virus outbreak, the general public is advised to adhere to health advisories issued by the State Government. Public should follow the cough etiquette by covering the nose and mouth using handkerchief /towel while sneezing/coughing. Do frequent handwashing with soap and water. Those who have arrived from the corona affected countries should remain under strict home isolation for 28 days from the date of arrival in India, irrespective of whether they have the symptoms or not. They are advised not to have close contact with other family members, allow any visitors, go out to public places. If anybody develops symptoms like cough, Fever, difficulty in breathing, put on a mask and contact the nearest government health facility or call the 24X7 Control room.
