The activities done by the State in this regard:

- Haryana State has strengthened the Surveillance and Control measures to contain COVID-19. State Helpline no. 8558893911 is functional and Helpline No. 108 is also functional in all the districts.
- To mitigate and tackle the growing threat of COVID- 19, the State has notified COVID-19 and accordingly, regulations has been issued on dated 11.03.2020.
- To prevent and control the spread of COVID 19, All Social, Cultural, Sports, Political, Religious, Academic and Family mass gatherings of 200 or more people are banned till 31st March, 2020 in the State of Haryana. Further it has also been decided that all Cinema Halls, Gyms, Night Clubs shall remain closed till 31st March, 2020.
- Two labs from Haryana i.e. PGIMS, Rohtak and BPS Khanpur Kalan, have been designated for testing of COVID- 19.
- Self-Declaration forms, for the passengers with travel history from affected country are available at Haryana health website i.e. haryanahealth.nic.in. These declaration forms are also being made available at Common Service Centers in the State.
- 327 isolation wards in Government and Private Health facilities with capacity of 2472 beds have been identified to deal with any contingency. The State has also identified Quarantine facilities in all the Districts with 1494 rooms including dormitories comprising of 6013 Persons accommodation capacity.
- In each district separate Ambulances with all protocols have been designated for transportation of suspected/confirmed cases of COVID- 19.
- All Medical and Para Medical staff at district level has been trained for Prevention and Management of COVID- 19.
- Pt B.D.S. PGIMS, Rohtak has been designated as Tertiary Care Centre for treatment of critical suspects. In this regard, Dr. Dhruv Choudhary, HOD-Pulmonary & Critical Care department has been designated as the nodal Person from Pt. BDSPGIMS, Rohtak.
- Health talks are being organized at Schools and Colleges. All Districts are conducting detailed meeting with IMA to sensitize and take them on Board for preparedness in this regard. Deputy Commissioners are reviewing preparedness on regular basis at district level.
- IEC for prevention of Corona Virus by promoting Hand Hygiene, Cough etiquette and other infection prevention practices is being done through press advertisement, pamphlets, hoardings, Audio spot, Video Clip and SMS services.
- In the background of the present nCorona Virus outbreak, the general public is advised to adhere to health advisories issued by the State Government. Public should follow the cough etiquette by covering the nose and mouth using handkerchief/towel while sneezing/coughing, do frequent handwashing with soap and water.
- Those who have travelled recently from the corona affected countries should inform at National/State/ District helpline number and remain under strict home isolation for 28 days from the date of arrival in India, irrespective of whether they are symptomatic or asymptomatic.
