National Helpline number: 011-23978046 State helpline Number:8558893911

In this context, Haryana State has strengthened the Surveillance and Control measures against the disease. State Helpline 8558893911 is functional, 70 calls received till date. Further, Self Declaration forms, for the passengers with travel history from China after 1<sup>st</sup> January, are available at Haryana health website i.e.haryanahealth.nic.in. These declaration forms are also being made available at Common Service Centres in the State. Health posts have been established at major tolls on highways in the State.

Regarding Isolation ward, it is stated that a total of 151 (Govt-54+97 Private) Hospital with 685 beds (270 –Government +415 private) have been demarcated for isolation and other management measures. In addition to above, Pt B.D.S. PGIMS, Rohtak has been designated as Tertiary Care Centre for treatment of critical patients. Dr Dhruv Choudhary, HOD-Pulmonary and Critical Care department has been designated as the nodal Person from Pt. BDS PGIMS, Rohtak.

State is doing wide publicity regarding the activities being conducted for the active Surveillance of Corona virus with all Dos and Don't. On dated 31<sup>st</sup> Jan, an advertisement was published in the leading News Papers in Hindi and English for awareness of General Public. Pamphlets are being distributed in the community for awareness by Health Workers. Health talks are being organized at Schools and Colleges. All Districts had a detailed meeting with IMA to sensitize and take them on Board for preparedness in this regard.

In the background of the present nCorona Virus outbreak, the general public is advised to adhere to health advisories issued by the State Government. Public should follow the cough etiquette by covering the nose and mouth using handkerchief/towel while sneezing/coughing, do frequent hand washing with soap and water. Those who have travelled recently from the corona affected countries should inform at National/State/ District helpline number and remain under strict home isolation for 28 days from the date of arrival in India, irrespective of whether they are symptomatic or asymptomatic. Those who have travelled Wuhan-China since 15th January 2020 onwards must get themselves tested for nCoV at Government designated centers.
