- In this context, Haryana State has strengthened the Surveillance and Control measures against the disease. State Helpline no. 8558893911 is functional and Helpline No. 108 is also functional in all the districts.
- Self-Declaration forms, for the passengers with travel history from China are available at Haryana health website i.e.haryanahealth.nic.in. These declaration forms are also being made available at Common Service Centers in the State.
- 279 isolation wards in Government and Private Health facilities with capacity of 1206 beds have been identified to deal with any contingency.
- Pt B.D.S. PGIMS, Rohtak has been designated as Tertiary Care Centre for treatment of critical Passangers. Dr. Dhruv Choudhary, HOD-Pulmonary and Critical Care department has been designated as the nodal Person from Pt. BDSPGIMS, Rohtak.
- Health talks are being organized at Schools and Colleges. All Districts are conducting trainings to the Health Workers and detailed meeting with IMA to sensitize and take them on Board for preparedness in this regard. Deputy Commissioners are reviewing preparedness on regular basis at district level.
- IEC for prevention of Corona Virus by promoting Hand Hygiene, Cough etiquette and other infection prevention practices is being done through press advertisement, pamphlets and hoardings.
- In the background of the present nCorona Virus outbreak, the general public is advised to adhere to health advisories issued by the State Government. Public should follow the cough etiquette by covering the nose and mouth using handkerchief/towel while sneezing/coughing, do frequent handwashing with soap and water.
- Those who have travelled recently from the corona affected countries should inform at National/State/ District helpline number and remain under strict home isolation for 28 days from the date of arrival in India, irrespective of whether they are symptomatic or asymptomatic.

State Nodal Officer
